

Fostering Futures

Career Readiness Support

This 5-week training course focuses on YOU:

The Fostering Futures Program helps you gain real-world job skills, build confidence, and explore career possibilities.

What You'll Get:

Job Skills Training: Free personalized career prep, guidance on resume and interview prep, financial literacy, and professional attire

Success Coaching: Ongoing guidance from orientation to post-placement, personalized support from The Buckeye Ranch, and access to Emergency and Normalcy Funds

Community Connections: Opportunities to build relationships with partners offering wraparound support and resources

Culinary & Hospitality Track (Optional): Specialized courses through Columbus State Community College, with option for college credits and paid internships

"I really enjoyed the cooking every week... I appreciated how understanding they were with my situation. I even made a friend that I'm going to keep in touch with moving forward."

-Past Participant

Eligibility

- Ages 18–24
- Facing barriers to employment (e.g., foster care, housing instability)
- Interested in building career skills and employment opportunities
